

COMMUNITY CONCERNED

The CBI on the ICH element was conducted with Muhammad Younus Soomro, a Ajrak making artisan/ master craftsman from Bhitshah, who learnt his ancestral craft from his father. A second and third CBI was conducted with Dr. Muhammad Umer Soomro at Moledino Sahito, and Raziq Dino Memon at Matiari. The community associated with Ajrak making in district Matiari predominantly belongs to the Soomro tribe, accounting for approximately 75% of practitioners. The remaining 25% belong to other clans, including Baniya (Hindus), Khaaskheli, Jaagirani, and a small number of Mallah artisans.
